

Our Team

At Statewide Dermatology, skin is our specialty. Our founder, Kathleen Harrell, APRN created Statewide Dermatology to ensure our growing geriatric community in Florida has ongoing access to expert skin specialists. We are dedicated to providing our patients with the highest level of care. Geriatric skin care is not only what we do best- but it is ALL we do. Our licensed providers take pride in offering the highest level of care. We look forward to serving you and your skin care needs.

Our Mission & Vision

OUR CORE VALUES

Our mission is to treat residents as family members with dignity and respect. We practice a team approach, including medical staff and family members, when deriving a plan of care. Every patient is evaluated on a case by case basis and provided with a customized care plan.

OUR SERVICES

Our In House Services Include:

- Skin Cancer Screening
- Treatment of Skin Cancer and Pre-Skin Cancer
- Treatment of Rashes and Itch
- Treatment of Psoriasis
- Treatment of Dry Skin and Cellulitis
- Treatment of Abscess Formation
- In House Biopsies and Liquid Nitrogen Treatment
- Treatment of Eczema, Seborrhea, and Dermatitis
- Treatment of Rosacea
- Treatment of Fungus
- Resident and Staff Education Programs and More

SKIN IS OUR SPECIALTY

We are a family-owned medical business specializing in dermatology care, providing in house services to long term care facilities. We bring a level of expertise, professionalism, and convenience to our contracted facilities paying special attention to the dermatological needs of our state's growing adult and geriatric communities.
